Accessing the New TNCC Pre-course Modules on the ENA Website

2. Log in to the ENA website or create an account.

**If you have taken ENPC or TNCC in the past, follow the search prompts to locate your account. Please do not create duplicate accounts.

3. Once your username and password have been created you will be redirected to the TNCC Provider Course Online Module page.

4. From here, you will add the course to shopping cart.
5. Enter the new TNCC discount code given to you by your Course Director. If you don’t have the updated discount code, please contact your Course Director.

6. Once you apply your discount code, you will then check out. Click on the ‘Check Out’ button and you will then receive a confirmation page. To access the course, select the ‘Go to your Online Courses’ button at the bottom of the confirmation page, and you will be redirected to your profile within the eLearning Center.

7. Click on the link to proceed to your courses.
8. Under Online Courses, select TNCC Provider Course Modules

9. To start the course, click on VIEW NOW or START. (If returning to an incomplete course, select RESUME or START FROM THE BEGINNING located above the ‘Topic Search’ bar). The course will pop up in a new window.
10. When the course is completed a check mark will appear alongside the course name.

11. To record completion, make sure you click on ‘submit contact hours’ after you have viewed all the modules. You will complete a short course evaluation at this time. Though it is not required, you may print your certificate after the course evaluation has been completed. Please note that contact hours will be awarded at the in-person course, for the full amount of the live course and online modules.
